

Kids: Play Baseball Overseas this winter with NSWJBL tours to Japan or USA

Imagine the thrill of competing internationally, in high-standard tournaments, against quality opponents from the Asia-Pacific region. Drinking in the sights and sounds of a foreign country, and meeting others just like you. This is truly a once-in-a-lifetime opportunity for young teenagers to enjoy a cultural experience beyond anything available to the general public. Yet each tour provides a unique experience and quality training.
